Good Government Committee Endorses Maybank

COLUMBIA, S.C. - The Good Government Committee today released the following statement announcing its support of Roy Maybank in the Senate District 41 (Charleston) runoff against trial attorney Sandy Senn. This is Senator Paul Thurmond's open seat.

"The voters of Senate District 41 have a clear choice in Tuesday's runoff. Roy Maybank understands what it takes to reduce the size and scope of government, find a long-term solution for our roads, and promote policies that allow for the private sector to create jobs. This election is critical to the efforts of sending pro-jobs candidates to Columbia next year and the South Carolina Good Government Committee is proud to support Roy Maybank in the Senate District 41 runoff."
