Holly,

Sorry for the delay. Attached is a breakdown of donations that are submitted for your consideration for a photo opportunity. I broke the contributions down into categories. Advisors' donations are noted as well.

*Note* that the insurance companies came through the encouragement efforts of Ray Farmer so it may be they would consider a group photo as some companies are outside of the state but do have representatives that serve the SC.

There are a few missing opportunities that I need to pull such as a group donation from a church in the upstate that totaled \$7,000 and a few school groups. Those donations could inspire others to do fundraisers.

I wanted to give you a starting point.

Thanks!

Dana

Morning,

Can y'all give me a list of groups that have donated to One SC that are interested in a photo op with the Governor and how many are anticipated in each group. I will work on getting some dates.

Thanks,
