All is well, just traveling on business. I might can try him in the morning sometime between flights (maybe 8:30am). I really just need y'all to email me a copy of your policy on unregulated militia.

Great to hear from you too!

Thanks,

Shane

Subject: Unregulated militia

I had a constituent ask me about Governor Haley's stand on unregulated militia in SC. Says National Guard is the regulated militia in SC.

Can you send me a position paper or any documentation on this? Or just let me know her position.

Thanks, and I hope all is well!

Shane
