Subject: Double Your Gift!

Dear ToNew York,

Thank you for being such an important part of Justice in Aging. I hope you'll **take this last chance** of 2015 to ensure a future where all seniors can get the health care they need without a fight. We still need your help to make that happen.

Margaret and Sadie

If you have already sent your year-end gift, *thank you!* If not, I hope you'll **make your year-end donation today**.

I know that together, we can create a system that gives all low-income seniors the income, health care, and long-term services and supports they need to age in dignity.

I also want to remind you that *a generous foundation is once again matching all new and increased gifts* from last year, so if you're a first-time donor or if you choose to increase your gift, your donation will count for twice as much.

Happy New Year!

Kevin Prindiville,
Executive Director
