**Subject:** Older Americans Month

---

Dear Lt. Governor Bryant:

Generations Unlimited is both the designated Council on Aging and public service provider for Barnwell County. May is Older Americans Month and we are celebrating at our senior center in Barnwell on May 31, 2017 with a cookout, music, games and more. This will be from 11am-2pm . We wanted to extend an invitation on the off chance that you had some spare time. We would love to have you come meet some of the great people we serve.

Sincerely,

Lisa Firmender, ED
