Subject: Training: Nov 12-17

Hi Danny

Brett and I both will be attending an advanced executive protection school in Virginia with the state department from Nov 12-17. During that time, Steven and Ryan will be handling all of the LG's movements. Reid will be assisting (supervising) as well as needed. I will have my phone with me, but cell service is spotty at the training site.

If an emergency arises, please call Reid. To pass along any changes and/or additions to the schedule, please contact Steven or Ryan directly. Likewise, I have asked Steven and Ryan to contact you directly if they have any questions regarding the week's events. For anything else, I should be able to answer any/all questions once I get back to the hotel (civilization) each night.

Looking forward to the week. Looking more forward to returning! If you need anything, don't hesitate to call. Thanks!
