Be Known as "Certified Public Managers Month"***

Dear Governor Haley:

I bring you greetings as a 2010 graduate and the newly elected President of the S. C. Society of Certified Public Managers (SCSCPM), and wish to thank you for your support of the Certified Public Managers in our great State. The SCSCPM is entering its 24th year of existence and continues to strive to provide continuing education and networking opportunities for the graduates of the Certified Public Managers Program and others.

Our 2015 Joint Leadership Event with the CPM Program will focus on ***"Leadership by Example"***. Joining us this year to speak on this topic will be Mike Ayers, Wofford College Head Football Coach and James Lecher, a retired Colonel with the United States Army and the Founder of KG Consultants.

On behalf of the SCSCPM Board and the members of this elite Society, I respectfully request your consideration in proclaiming ***April*** as ***"Certified Public Managers Month"***.

Thanks in advance for your consideration and your continued dedication to the Certified Public Managers and citizens of the State of South Carolina!

Respectfully submitted,

John D. Hancock, CPM 2010
President, SCSCPM
