KV,

The Governor would like to have the House version of the SCSU Joint Resolution conform to the Senate version. Currently, the House version removes the current Board and devolves their powers into the Budget and Control Board. We would like to use the Senate version which includes the following:

- One member appointed by the President Pro Tempore of the Senate
- One member appointed by the Speaker of the House
- One member appointed by the Chairman of the Senate Education Committee
- One member appointed by the Chairman of the House EPW Committee
- One member appointed by the Governor

Can you discuss with Kenny and see if he is amendable to doing this?

Thanks,
James
