**jekyllislandbeachbunny** Being in that canoe and in water do you know if a business has a floater case for your phone in case it gets dropped in the water ?

 **haleycraw4d** @jekyllislandbeachbunny lifeproof is a case that makes your phone waterproof. You can buy an additional "life jacket" to put on it when you're in the water so that if you drop it, it floats. May be other brands now! I had one probably 5 years ago through @lifeproof
