Show Up

Dear Friends:

Let's rely on the wit of humorist Will Rogers to put this Election Day in perspective:

*"Last year we said, 'Things can't go like this',
and they didn't. They got worse"*

*"I don't make jokes. I just watch the government
and report the facts."*

Will Rogers is long gone, but his perspective on government has never been truer. The policies of President Obama and the Democrats are sucking the life blood out of the America we love. The all-powerful federal government intrudes into every aspect of our lives, steals our personal liberties and enslaves more people to be dependent on government programs. It's time for the CHANGE we want and deserve.

Show Up & Vote! Tomorrow,
November 4, is Election Day.
It's the duty of right-minded,
freedom-loving American's to
step into the voting booth
and make your personal
