**Subject:** Any word on rec commission?

---

As a bystander I anticipate Clark can stay but Green and Mickens are out, but that's just me. I'd think speed would be helpful in this so the delegation can generate and submit a list of new candidates to begin governance of an agency with basically not enough board members to formally meet (i.e. establish a quorum) and only an interim director.

Thank you!!!!

Best,  
Ron
