**Subject:** Free eCademy Series: Risk Management Insurance Fundamentals

---

What do autonomous vehicles, an aging population and cybersecurity have in common? These are all policy topics in which a basic knowledge of risk management and insurance can help state leaders make better policy decisions. In collaboration with the Griffith Foundation, CSG will address these topics and more throughout a four-part webinar series designed to provide public policymakers with a greater understanding of risk management insurance through the lens of emerging issues. Attendees who participate in all four of the webinars will also receive a certificate of completion. [More...](#)
