Dear Corporal Elliott,

I heard about your heroic actions in rescuing an individual at risk of drowning during the historic flooding event and want to let you know how much I appreciate your incredible service to the State of South Carolina and her citizens. Few people have the opportunity to make the kind of difference our law enforcement officers make each day, and we are blessed to count you among those brave enough to serve in uniform. You have made our state incredibly proud, and Michael and I wish you continued success in your career as one of South Carolina's finest. God bless.

My very best,

  
Nikki R. Haley
