Good morning Katherine,

I woke up at 3am thinking about the golf tee signs. If there is still time, I made a few edits to what I sent over yesterday afternoon (to include more company logos – especially those companies that had announcements last year).

Attached is the updated spreadsheet (I highlighted the changed signs), and below is a recap of the changes as well. If this is too much trouble, no worries – I just want them to be as great as possible!! ;)

**Sign #3: Added Benefitfocus logo**

**Sign #7: Added Harbor Freight Tools logo**

**Sign #10: Added Element Electronics logo**

**Sign #14: Added Toray logo (this replaces Magna); removed Nexans logo (since they aren't coming) so we only have three logos (i.e. the logos can be bigger)**

Thanks,  
Alex
