Re: President Obama's State of the Union Address, Your Rebuttal

Dear Governor Hailey:

I was shocked to hear your renegade rebuttal to the President's State of the Union Address. Your rebuttal was no more than a cheap and poorly thought through attack on the GOP front runner, Donald Trump.

You may have done more damage then you know. What, if anything, were you thinking.

If you cannot be of useful service to the Republican Party, then keep your mouth shut, go home and bake a cake.

Sincerely,

Bryan Buchanan
