**South Carolina State Parks** Elaine Myers Wilson Donations to the Beautiful Places Alliance are always spent in the spirit of the donor's request if provided. If an area of spending is not specified, donations are spent on park improvements such as signage, programs, and other areas to improve the visitor's experience based on current needs. If you would like a donation to go 100% to programs, you can mail a check payable to the Discover Carolina Endowment and it will be spent only on programs.
