**Subject:** RE: hold for announcement

---

Rebecca,

There don't seem to be any conflicts with the proposed date and time. Mr. Toomey and I have our calendar's marked.

LRADAC quickly came to mind as a location. Indoors or out, it provides a pleasant setting, and it would emphasize evidence based treatment as we discussed. Mr. Toomey will touch base with the director, and we will continue to contemplate alternate locations.

Please let us know if we can share the tentative date with the Council and stakeholders to mark their calendars. And thank you again for the time you and Holly spent with us yesterday.

Warmly,  
Sara

Director and Sara,,

Thank you both again for meeting with us today – it was very helpful, as always.

We have 11:00 a.m. on Thursday, March 24<sup>th</sup> in the Columbia area held on the Governor's calendar as a tentative announcement date. Does this date work for both of you and/or do you know of any conflicts with the greater stakeholder community? In addition, please let us know suggested locations in the Columbia area.

Appreciatively,

Rebecca
