***A Message from our Team:***

*Insights* is a monthly publication produced by the SC Department of Employment and Workforce's (SCDEW) Labor Market Information (LMI) Department to regularly provide users with the most current data available on trends in the

workforce and the economy of the state. LMI understands that providing analysis on the current economic trends helps to educate and foster economic growth in South Carolina.

Every month *Insights* will provide up-to-date statistics on the labor force and industry employment for the state and sub-state areas.

We are pleased to provide information that is useful in making informed decisions, setting plans and goals, and promoting conversation. We hope that you find this information very useful.
