I've been in contact with them, they are looking into it. Right now I'm trying to get them to communicate with Marla about what they are doing.

Good Morning Marla,

I would like to reach out to our contact at SC DOR to see if they can help sort this out. Please let me know if you are okay with me contacting them. Most likely what will happen is I will contact them and they will have someone call you to get the information and then review the situation. We can't guarantee that this will help, but it's the best way we can assist.

Best Regards,

Good to hear from you Marla. I have included our Columbia office in this e-mail. Maybe they can help find some information as to how you need to proceed.

Sincerely,
Kevin

Hi,

as of the first of April we have been helping and supporting an domestic abuse victim and her 16 month old daughter. AIM and several friends have helped, but none of the other services.

My question is how the SC Department of Revenue can send us a bill for Ken Walker, Inc., that is from 12/1996 tax year? They say we owed \$25 and with penalties and interest, the total is now \$97.27.

We do not or are required to keep records that long, so we have no way to dispute it.

Not sure who to ask about this.

Thanks,

Marla
