SECRETARY OF STATE

Office of the Governor

EXECUTIVE ORDER NO.

2015-29

WHEREAS, either the State of South Carolina or certain counties declared to be Presidential Major Disaster areas have been under a State of Emergency since October 1, 2015, due to the effects of the historic flood; and

WHEREAS, the ongoing recovery efforts present a continued, emergent need to expedite the movement of vehicles and loads that are transporting equipment, materials, services, supplies, food, fuel, timber, debris, and other items; and

WHEREAS, federal law limits the hours operators of commercial motor vehicles may drive vehicles transporting materials as stated above pursuant to 49 C.F.R. Part 395 and establishes certain weight limitations for vehicles on interstate highways pursuant to 23 U.S.C. § 127 in conjunction with S.C. Code § 56-5-4010 et seq., which establishes size, weight, and load requirements for South Carolina highways; and

WHEREAS, the Governor of a State may suspend certain requirements relating to registration, permitting, length, width, weight, load, and time of service for commercial vehicles responding to an emergency if the Governor declares a State of Emergency pursuant to 23 U.S.C. § 127, 49 C.F.R. § 390.23, and S.C. Code § 56-5-70(A).

NOW, THEREFORE, pursuant to the authority vested in me by the Constitution and Statutes of this State, I hereby declare that an emergency exists to suspend the federal rules and regulations that restrict certain registration, permitting, length, width, weight, load, and time of service requirements as set forth below in order to ensure the delivery of equipment, materials, services, supplies, food, fuel, timber, debris, and other items in response to flooding operations throughout South Carolina and direct the South Carolina Department of Transportation and the South Carolina Department of Public Safety, and the State Transport Police as needed, to comply with this Order.

IT IS FURTHER ORDERED that:

- (a) Weight, height, length, and width for any such vehicle on roadways maintained by the State of South Carolina shall not exceed for

continuous travel on all non-interstates maximum dimensions of 12' wide, 13'6" high and weights of 90,000 pounds.

- (b) Posted bridges may not be crossed.
- (c) All vehicles shall be operated in a safe manner, shall not damage the highways nor unduly interfere with highway traffic, shall maintain the required limits of insurance, and shall provide appropriate documentation indicating it is responding to this emergency.
- (d) Any dimensions and/or weight of vehicles that exceed the above must obtain a permit with defined routes from the South Carolina Department of Transportation Oversized/Overweight Permit Office. To order a permit, please call (803) 737-6769 during normal business hours, 8:30 a.m. – 5:00 p.m., or (803) 206-9566 after regular business hours.
- (e) Transporters are responsible for ensuring they have oversize signs, markings, flags and escorts as required in the South Carolina Code of Laws relating to oversize/overweight loads operating on South Carolina roadways.

FURTHER, this emergency justifies a suspension of 49 C.F.R. Part 395 (drivers' hour of service). Nothing herein shall be construed as an exemption from the Commercial Driver's License requirements in 49 C.F.R. § 383 or the financial requirements in 49 C.F.R. § 387.

This Order shall take effect on October 31, 2015. The suspension of requirements for time of service shall expire on November 29, 2015. The suspension of requirements for registration, permitting, length, width, weight, and load shall expire on January 30, 2016.

GIVEN UNDER MY HAND AND THE
GREAT SEAL OF THE STATE OF
SOUTH CAROLINA, THIS 30th DAY OF
OCTOBER, 2015.

NIKKI R. HALEY
Governor

ATTEST:
