Pew Conference Center, Washington, DC  
Register [Here](#) Today!

Greetings State Policy Directors and Senior Staff:

For those new to the [Center for State Innovation](#) (CSI) or to the event, PDAM is an intense, fun, meeting we do each Fall with the best and brightest state policy directors and other senior staff from around the country, along with a few national experts (see 2012's meeting [here](#)). We invite all to share best practices, challenges faced, and new ideas for moving progressive policy innovation in the states in a roundtable format of peer-to-peer discussion.

This year, the meeting will begin at 2pm on Thursday, Sept. 19 and end around 2pm on Friday, Sept. 20, allowing most attendees to arrive and depart all within 2 days. This year's agenda includes job creation strategies proven successful in the states, the country's most innovative ideas around government performance measures, and the annual [lightning round](#), a fast and lively session of 3 minute presentations on money-saving or revenue-neutral ideas that can be easily implemented.

We provide hotel/meals and will cover travel costs for those needing that assistance. Space is limited. Please visit our [website](#) for full details, including an agenda and logistics. Please register [HERE](#) by Friday, August 16.

Thanks and looking forward to seeing you in September.

JOEL ROGERS  
Director, Center for State Innovation
