Subject: Interview request WCNC

---

Hello, my name is Brandon Thomas and I am a producer for WCNC the nbc affiliate in Charlotte, NC.

I am writing to request an interview with Gov Haley in regards to the upcoming Charleston shooting anniversary.

We are planning an anniversary special which we will anchor live from Charleston. We would love to sit down with Gov Haley and talk about the tremendous job she did during the shooting and the fallout in the weeks and months after as well as the progress made in the past year.

WCNC was one of the leaders in last year's coverage of the shooting. Our anchor was live from Charleston for several days after the killings, and we were the first on the scene when the alleged shooter was caught in Shelby, NC.

An interview with Gov Haley would be a tremendous addition to our coverage. Thank you and I look forward to hearing from you.

Sincerely,  
Brandon Thomas
