Subject: RE: spreadsheet requisition for Onbase Maintenance invoice

Who uses Onbase? What system?

Subject: spreadsheet requisition for Onbase Maintenance invoice

Tony,

I have attached a spreadsheet used to calculate the amount of the invoice charged to each account. The accounts were used last year or the year before. I have updated the charges from the invoice. I am not sure how to go about changing the account numbers for the current charges. Please update the spreadsheet or on paper and give me a copy to go by next year.

Thank you,

Paula Hightower
