Deanne,

Approval of the transfer has been sought from FNS, the Food and Nutrition Service. We beeline we will obtain approval because it has been granted in other states. This is only a transfer of the SNAP E&T program so as to align the program with the resources available at DEW. Administration of the SNAP program will remain with DSS.

I am happy to stop by anytime today before our House Oversight hearing to answer specific questions or facilitate a call or meeting with our Deputy Director of Economic Services to answer programmatic questions.

All the best,  
Karen

Dear Members of the General Assembly,

Please find the attached letter from Director Alford at the Department of Social Services (DSS) and Director Stanton here at the Department of Employment and Workforce (DEW) announcing the transfer of the Supplemental Nutrition Assistance Program (SNAP) Employment and Training program from DSS to DEW.

As always, thank you for all you do for your constituents and our beloved Palmetto State.

Sincerely,
