

Most Dear Governor Haley:

To meditate is to sit and breathe, sit and breathe. It is to know at that moment in time, nothing is so important as to sit and breathe. It is to just, to just to transcend - to be in the

As the final term in the state of a long now before I burn alive on your lawn. I should very much wish to see you before then. Speaking after may prove a challenge.

May Hanuman bless you,

Rev. Dr. Erik McBride
