Katherine-

Following up on my message earlier this week regarding the dredging permit, I have attached a memo from me and Stu Rodman. Stu, as you may know, serves on the Beaufort County Council and is also involved in our effort to dredge Harbour Town. We would like Governor Haley to consider sending the attached letter (or something similar) to Colonel Chamberlayne in support of the dredging effort in order to help expedite the permit process. I would be happy to further discuss this with you next week.

Hope you have a great weekend. All the best-

Steve
