Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Please do not let one refugee enter Spartanburg county. There is no way to vett these people and you know this to be the truth. How can you vett someone with no information about them? You can't. Letting these people come here is wrong. You know it and so do the people of Spartanburg county. Do the correct and smart thing, stop it from happening.

Thank you,
Richard Moore
