The Honorable Nikki R. Haley

Office of the Governor

Re: United Nations

Dear Governor Haley,

It is my honor to present you my warmest season's greetings for Christmas and the New Year 2017. I would also like to take this opportunity to congratulate you as the new U.S Ambassador to the United Nations. The United Nations is such an honorable organization but also a platform to address issues related to children, good governance, gender equality, human rights , rule of law and justice to name a few.

As a U.N Staff member who has worked in several country offices around the world, I started my U.N career in New York in the early 2000's. It would be more than honor to be a part of your team. Primarily based on merit indeed. As someone who has worked in the field U.N country offices, I would like to contribute as much as I can in many ways on issues related to Africa, India, Middle East, South East Asia, and Eastern Europe to name a few.

As a civil servant with a degree in Political Science, I am persuaded that I can be an asset to your team due to my skill set, education, language skills and International field experience.

I will be on mission to Democratic Republic of the Congo with U.N WOMEN in early January for six weeks but, shall return back to New York afterwards.

I look forward to hearing from your office and look forward to meeting you. I thank you for your consideration.

Sincerely yours,

Salima Kane
