**mychariamore** @scstateparks Just got home from DFSP a few hours ago. It was fantastic. Staff (particularly the employee at the admission booth) was great. Kayak rental company was friendly and easy to work with. Park was well-maintained and restrooms were tidy. We'll definitely be back. Thinking of booking a villa next visit.

[acooper2240](#) @scstateparks we love our state park vacations. We used to go to Hartwell every year for about 4 years. We've been to Oconee, Table Rock and Dreher Island. We're hoping to fill our book up 😊
