Good morning Chaney,

Thanks for the phone call.

Both Bo Thompson, Charlotte's Morning News (5am-9am); and Keith Larson, The Keith Larson Show (9am-noon), would very much like to speak with Governor Haley, as early as tomorrow, 11/13 if possible.

Bo Thompson is able to do live interviews weekday mornings: 7:05am, 7:35am, and 8:05am are optimal times, and are for just 5 minutes. Bo can also tape an interview most any time after 9am and throughout the day to air the next day.

Keith Larson only has live interviews weekdays at 9:33am, 10:03am, 10:33am, or 11:03am and they are for about 8 minutes.

My hope would be that the Governor could speak with both hosts on different days, Perhaps tomorrow and Friday if that works.

Thanks very much for your help,

Good morning Chaney,

Please ask Governor Haley to consider speaking with Bo Thompson on WBT's Charlotte's Morning News on Monday, 1/11 at 7:05 a.m. for 5 minutes.

Additionally, if it's more convenient for her, please ask the Governor to consider speaking with Keith Larson on the Keith Larson Show on Monday, 1/11 at 11 a.m. on the Keith Larson Show.

As you know, WBT reaches far into South Carolina along with the greater Charlotte area.

The studio is 704-333-2643 or 704-333-2644. We're happy to place the call or just have a backup number.

I look forward to your reply.

Thank you,
