Hi there! My daughter and I (and various others who met up with us at times) set out on a state parks road trip to kick off our summer. The plan was to do the 6 coastal state parks, but I got so addicted to the outdoors (and getting stamps and patches) that we ended up doing 9 state parks in 9 days. We met lots of great park rangers, had a lot of fun becoming Junior Ranger Level 3s, and saw lots of wildlife and beautiful landscapes. Thank y'all for all you do! (I finished our intro video to the road trip last night, so I thought I'd share. I'm going to make individual park videos soon too.) :) <https://youtu.be/trKUkHNzYJA>
