**Subject:** I doubt that Governor

You seem to be getting a lot of credit for wanting to bring down the confederate flag. However, that is far from the truth. Your initial response was that it is up to the people to take down the flag. You buckled under the public uproar involved in the shooting at AME. Same holds true for Sen. Scott and Sen. Graham. This mentality is typical of politicians with an occupying mentality. This is about maintaining political power at all cost.
