Subject: We know this works

Hey,

South Carolina is on the right track. Our economy is growing, our unemployment is dropping, and businesses are investing here.

We need to keep this going - and we know how to do that. We've reduced taxes, we've cut red tape, we've announced more than 45,000 jobs in 45 out of 46 counties, and South Carolina tops the list as one of the fastest growing economies in the nation.

We've worked hard to get this far, but we've still got more to do. **Please, click here to chip in \$5 or whatever you can to help us win in November.**

The end of the month is now less than a week away. **We're still \$14,300 away from our goal. Please click here to chip in and help us out!**

Thanks for your help,

Nikki
