If you remember, just last week we posted about the unfinished entrance wall at Lake Greenwood State Park, left unfinished when the CCC boys dropped their tools and joined WWII. Learn more about the CCC and their impact, in this article from the Index-Journal. <https://fal.cn/3kHy7>

### Post 20 remembers deployment of 'Roosevelt's Tree Army'

Granite slabs are embedded into the dirt now, scattered among the trees near the entrance to Lake Greenwood State Park alongside the unfinished wall those blocks were intended for.
