Subject: PP Presser

---

- Didn't introduce Ann
- She probably should stand closer
- She probably should talk next time on this subject
- He knows how to defund PP
- Shouldn't have answered how it gets ratified
- Who asked the question about "politicizing" this?
- No more generosity on timing
- He knows, again, how to defund PP
- Ann definitely needs to speak on this subject—maybe on her own
