India to launch internal ease of business ranking

by India Inc Staff

The Narendra Modi government will rank states according to the ease of doing business. Several departments of the central government are working with their counterparts in the state capitals finalising the parameters for this elaborate exercise.

New bank to found Make in India vision

by India Inc Staff

A new bank announced by Indian finance minister Arun Jaitley as part of a series of proposals to realise the government's Make in India vision in this year's Budget is being seen as a game-changer for small industries in the country.

India signs new inflation busting pact

by India Inc Staff

In the biggest monetary policy reform measure in living memory, the Government of India and the Reserve Bank of India have signed a formal agreement to adopt a monetary policy framework to make inflation control the primary task of the RBI.

India helps drive innovation: India Inc. Interview

by India Inc Staff

The number of UK-manufactured cars that are exported to India has increased nine-fold in five years, with 2,836 British-built cars sold in India in 2014.

Indian markets shoot up on surprise rate cut

by India Inc Staff

The Reserve Bank of India sprang a pleasant surprise early on Wednesday morning, cutting the repo rate, against which commercial banks benchmark their lending and deposit rates, by 025 basis points.
