27. Filed May 3 193628. Marie Henson
Local Registrar

*When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

The parents say the birth of this child has never been registered and asked me to send it in. I don't know who the M.D. was.
