Subject: Hilton Head Island Ground Breaking Event

Katherine,

Here are the details you requested regarding the ground breaking event on Hilton Head Island for the Shelter Cove Towne Centre scheduled for Wednesday, April 3rd at 9:30am (2 weeks prior to Heritage).

These numbers are confidential.

Shelter Cove Towne Centre

-Total Project Cost is \$74.25M more or less. The centre will add 445 jobs. This would be in addition to however many employees that Belk's currently has.

-More importantly it is a major part of the redevelopment of Hilton Head Island which will help the Island remain one of the premier tourist destinations in the southeast.

Let me know. Thanks!
