Importance: High

I am writing with this information as the parent of a child with severe special needs. I am trying to do my part as a good parent, an advocate for those who cannot speak for themselves, and as a professional who works with families all over this state who have loved ones with disabilities or special needs. I am so sick of having no answer when parents call me and say, "do we make a rent payment, or pay for prescriptions", "do I buy groceries, or pay for therapy so that my child can one day walk, or talk".....We should not be having to make these choices! Do we not value the lives of All that God created? Do we not invest a little, to help them reach their greatest potential? wake up, and realize this could be your family! One does not have to be born with a disability, to acquire one.

Please consider the hard work that YOU put into this budget, an DO NOT allow this to happen.

Thank you.

Hollye Reid

- DDSN budget was approved through the legislature this past year which meant that DDSN did not have to make any more (they have over the last several years) drastic cuts. DDSN was happy!
- Now, DHHS has told DDSN to find \$1.3 million in their budget to cut. DDSN is 95% funded by Medicaid, and technically Mr. Keck with DHHS can ask DHHS to do this.
- However, this has never been done before in our state where one head of an agency bypasses what the state legislators have decided and basically is changing what the legislators had decided.
- This could set a new precedence. Should our legislators be deciding the budget for DDSN or another agency head?????
- We would like to let our legislators know that this is being done and that we want them aware of it. That it concerns us that an "agency head at DHHS" has the authority to change a budget already set by the SC legislature.
- Please see below and make a few calls today or tomorrow

♦ *HHS may have the legal authority (under Medicaid rules), but it is contrary to Legislative intent since the legislature made the allocation to DDSN and the state budget accounts for the Medicaid reimbursement.*

♦ *DDSN is not like other providers as Mr. Keck had said. Other providers are not given allocation by the Legislature and the Governor through state law.*

♦ *DDSN over the past four years cut their services to ensure that they were not running deficits, HHS on the other had did not make similar cuts.*

♦ *Unlike HHS, DDSN is not an insurance program.*

♦ *DDSN services are not an entitlement program. They can only offer services based on the allocation with the matching funds that they receive. HHS on the other had has a certain populations that their insurance is an entitlement.*

106342

- ♦ *State agencies budgets are set by state law with oversight of the Legislature and the Governor. HHS does not have authority over other state agencies budgets that use Medicaid dollars.*
- ♦ *HHS taking \$1.3M from DDSN will results in further cuts to services. And could result in nearly \$4M in cuts to services.*

Thank you,

Hollye Reid

TO WHOM IT MAY CONCERN:

I AM WRITING TO YOU AS A CONCERNED EMPLOYEE OF THE SALUDA NURSING CENTER. WE HAVE ALREADY SEEN THE EFFECTS OF THE CUTS BEING INFORCED BY OUR GOVERNOR.

NOT ONLY, ARE THE FINIANCIAL CUTS DUE TO THE MEDICAID CUTS AFFECTING US, BUT SO ARE THE NEWLY IMPOSED STAFFING PATTERNS. OUR STAFF AND FACILITY HAVE ALWAYS PRIDED THEMSELVES WITH BEING ABLE TO PROVIDE EXCELLENT CARE, LOVE, AND SUPPORT TO OUR RESIDENTS.

THERE IS NO HUMANLY WAY WE CAN PROVIDE THAT SERVICE ON A DAILY BASIS WITH 4 TO 5 CNA'S ON FIRST SHIFT AND 3 TO 4 CNA'S ON SECOND SHIFT.

AS ANYONE WHO HAS EVER HAD A LOVED ONE IN NURSING CENTER WOULD KNOW, IT TAKES QUITE A BIT OF TIME TO PROVIDE THOROUGH AM CARE. EVERYONE OF OUR RESIDENTS, 44 ON EACH UNIT RECEIVE A COMPLETE BED BATH OR SHOWER DAILY, PREFERABLY BEFORE BREAKFAST IS SERVED. THIS IS NOT POSSIBLE WITH 4 TO 5 AIDES.

NOT ONLY DO OUR RESIDENTS HAVE TO BE BATHED, DRESSED, TOILETED, FED, THEY ALSO HAVE TO BE READY TO ATTEND REHAB THERAPY EVERY MORNING. WE ARE ALSO RESPONSIBLE FOR GETTING THEM TO GROUP ACTIVITIES, BEAUTY OR BARBER SHOP, AND ANY OTHER FUNCTIONS THAT ARE GOING ON DURING THE DAY. WE ALSO HAVE TO FIND THE TIME TO MONITOR THEM FOR DRYNESS, CLEANLINESS, TAKE THEM TO THE BATH ROOM, AND TURN AND REPOSITION THEM AT LEAST EVERY TWO HOURS. IT IS THEN TIME TO FEED THEM THEIR NOON TIME MEAL.

MOST ALL OF OUR RESIDENTS LIKE TO LIE DOWN FOR A LITTLE WHILE AFTER LUNCH. SO AFTER LUNCH IS FED, THE DINING ROOM IS CLEANED, RESIDENTS ARE GIVEN ELIMINATION HELP, AND THEN THEY ARE ASSISTED TO BED.

MOST ALL OF OUR RESIDENTS ARE UP IN THE AFTERNOON AND NEED TO BE GOTTEN READY FOR SUPPER MEAL. WE NOW HAVE ONLY THREE NURSING ASSISTANTS TO PERFORM THIS TASK. WE HAVE THE SAME NUMBER TO FEED, PROVIDE ELIMINATION ASSISTANCE, TURN AND REPOSITION, AND THEN GET READY FOR BED AS WELL AS SERVE BEDTIME SNACKS AND FLUIDS. IT IS USUALLY IN THE AFTERNOON THAT WE FIND

THE RESIDENTS BECOMING MORE CONFUSED, AGITATED, AND REQUIRING MORE ONE ON ONE ATTENTION.

WE LOVE OUR JOBS AND WE LOVE OUR RESIDENTS, BUT WE ARE FINDING IT EXTREMELY HARD TO PROVIDE THE SAME CARING, LOVING, AND QUALITY OF CARE TO OUR RESIDENTS UNDER THESE CIRCUMSTANCES.

THE MAJORITY OF US HAVE SPENT MOST OF OUR CAREERS HERE AT THE SALUDA NURSING CENTER BECAUSE WE LOVE WHAT WE DO AND WE LOVE OUR RESIDENTS. WE HOWEVER, WANT TO BE ABLE TO GIVE THE QUALITY OF CARE THESE RESIDENTS ARE USED TO AND SO DESERVE.

I AM SURE THAT IF YOU HAD EVER HAD ONE OF YOUR LOVED ONES IN A NURSING FACILITY, YOU WOULD UNDERSTAND HOW IMPORTANT IT IS TO HAVE QUALIFIED, LOVING STAFF TO CARE FOR THESE ELDERS.

I ALSO FIND IT VERY HARD TO BELIEVE THAT IN THE GREAT STATE OF SOUTH CAROLINA THAT THERE IS NOT ENOUGH FINANCIAL RESERVE TO CARE FOR THE INDIVIDUALS WHO MADE THIS STATE AND COUNTRY WHAT IS OR WAS.

I URGE YOU TO ATTEND THE NURSING CENTERS IN THIS STATE IN ORDER TO PERSONALLY SEE WHAT IT TAKES TO PROVIDE THE CARE FOR OUR ELDERLY. REMEMBER, ONE DAY YOU MAY NEED A NURSING FACILITY FOR YOUR LOVED ONE OR FOR YOURSELF.

SINCERELY,

Janice Jones, CNA

AS ANYONE WHO HAS EVER HAD A LOVED ONE IN NURSING CENTER WOULD KNOW, IT TAKES QUITE A BIT OF TIME TO PROVIDE THOROUGH AM CARE. EVERYONE OF OUR RESIDENTS, 44 ON EACH UNIT RECEIVE A COMPLETE BED BATH OR SHOWER DAILY, PREFERABLY BEFORE BREAKFAST IS SERVED. THIS IS NOT POSSIBLE WITH 4 TO 5 AIDES.

NOT ONLY DO OUR RESIDENTS HAVE TO BE BATHED, DRESSED, TOILETED, FED, THEY ALSO HAVE TO BE READY TO ATTEND REHAB THERAPY EVERY MORNING. WE ARE ALSO RESPONSIBLE FOR GETTING THEM TO GROUP ACTIVITIES, BEAUTY OR BARBER SHOP, AND ANY OTHER FUNCTIONS THAT ARE GOING ON DURING THE DAY. WE ALSO HAVE TO FIND THE TIME TO MONITOR THEM FOR DRYNESS, CLEANLINESS, TAKE THEM TO THE BATH ROOM, AND TURN AND REPOSITION THEM AT LEAST EVERY TWO HOURS. IT IS THEN TIME TO FEED THEM THEIR NOON TIME MEAL.

MOST ALL OF OUR RESIDENTS LIKE TO LIE DOWN FOR A LITTLE WHILE AFTER LUNCH. SO AFTER LUNCH IS FED, THE DINING ROOM IS CLEANED, RESIDENTS ARE GIVEN ELIMINATION HELP, AND THEN THEY ARE ASSISTED TO BED.

MOST ALL OF OUR RESIDENTS ARE UP IN THE AFTERNOON AND NEED TO BE GOTTEN READY FOR SUPPER MEAL. WE NOW HAVE ONLY THREE NURSING ASSISTANTS TO PERFORM THIS TASK. WE HAVE THE SAME NUMBER TO FEED, PROVIDE ELIMINATION ASSISTANCE, TURN AND REPOSITION, AND THEN GET READY FOR BED AS WELL AS SERVE BEDTIME SNACKS AND FLUIDS. IT IS USUALLY IN THE AFTERNOON THAT WE FIND

THE RESIDENTS BECOMING MORE CONFUSED, AGITATED, AND REQUIRING MORE ONE ON ONE ATTENTION.

WE LOVE OUR JOBS AND WE LOVE OUR RESIDENTS, BUT WE ARE FINDING IT EXTREMELY HARD TO PROVIDE THE SAME CARING, LOVING, AND QUALITY OF CARE TO OUR RESIDENTS UNDER THESE CIRCUMSTANCES.

THE MAJORITY OF US HAVE SPENT MOST OF OUR CAREERS HERE AT THE SALUDA NURSING CENTER BECAUSE WE LOVE WHAT WE DO AND WE LOVE OUR RESIDENTS. WE HOWEVER, WANT TO BE ABLE TO GIVE THE QUALITY OF CARE THESE RESIDENTS ARE USED TO AND SO DESERVE.

I AM SURE THAT IF YOU HAD EVER HAD ONE OF YOUR LOVED ONES IN A NURSING FACILITY, YOU WOULD UNDERSTAND HOW IMPORTANT IT IS TO HAVE QUALIFIED, LOVING STAFF TO CARE FOR THESE ELDERS.

I ALSO FIND IT VERY HARD TO BELIEVE THAT IN THE GREAT STATE OF SOUTH CAROLINA THAT THERE IS NOT ENOUGH FINANCIAL RESERVE TO CARE FOR THE INDIVIDUALS WHO MADE THIS STATE AND COUNTRY WHAT IS OR WAS.

I URGE YOU TO ATTEND THE NURSING CENTERS IN THIS STATE IN ORDER TO PERSONALLY SEE WHAT IT TAKES TO PROVIDE THE CARE FOR OUR ELDERLY. REMEMBER, ONE DAY YOU MAY NEED A NURSING FACILITY FOR YOUR LOVED ONE OR FOR YOURSELF.

Dear Mr. Bowles:

This letter is in response to your recent correspondence to Senator Nikki Setzler concerning the reduction to Medicaid Nursing Home Permit Days. The decision to reduce Medicaid permit days by eight (8) percent was recommended by providers in lieu of another rate reduction, effective July 1, 2011. At the same time, the South Carolina Department of Health and Human Services (SCDHHS) expanded the number of slots in its home and community based waiver program by 550 to serve current demand.

SCDHHS is currently monitoring access issues to ensure adequate care. As one way of assuring that people are in the most appropriate setting, we recently made an exemption to the Community Long Term Care (CLTC) waiting list to allow persons hospitalized and at risk of nursing facility placement to go to the top of the priority list. Home and community based services, as an alternative to institutional care, cost taxpayers much less (\$32 per day on average compared to \$127 a day). This will challenge our resources and capabilities as we shift to a more responsive system.

We are also encouraging partnerships between hospitals and nursing facilities to develop creative alternatives in the flow of consumers between stages in the continuum. A group of hospital discharge planners and nursing facility representatives have met four times with SCDHHS since this reduction was implemented in July to monitor the flow of patients to and from facilities. This group has made several recommendations that are being implemented. Finally, the Department is also finalizing a proposal to send to the Centers for Medicare and Medicaid Services to create a complex care program for those persons who are hospitalized and need a very high level of nursing care to meet their needs.

During the first quarter of the state fiscal year, the reduction in Medicaid beds resulted in many of the nursing facilities being over their allotment, but we anticipate that the numbers will be adjusted to their allotted number based on their attrition rate. At some point during the fiscal year, they will once again have available beds to fill with approved Medicaid recipients. As we approach the upcoming legislative session, SCDHHS will be convening a workgroup in November to review the Medicaid permit day law and recommend proposed changes. The South Carolina Nursing Home Association will be invited to participate in this workgroup.

Determining which programs and services to offer during such difficult times is always challenging. The agency's mission is to purchase the most health care for those in need at the least cost to taxpayers. We truly value your suggestions and concern for the overall health of this state, especially as we continuously strive to provide services that work to improve health.

We appreciate you bringing your concerns to our attention and for your interest in the South Carolina *Healthy Connections* Medicaid program.

Sincerely,
