Catherine and I just went through the schedule and the Blowfish game on the 3rd will work best if he can throw out the first pitch, we do a pet food drive, and hopefully play his PSA.

Ah that's my bad then. Would you mind reaching out to the blowfish about throwing out the first pitch for either the 3rd or the 4th? The 3rd might actually work better but either would be great.

The only thing I had written down from the meeting was that either Danny or the LG was possibly going to reach out to Bill Dukes to do something at Fort Jackson. Let me know if y'all want to me to reach out to the Blowfish for that specific game to see if we can arrange a first pitch and LGOA info table.

Did you ever reach out to the Blowfish about LG throwing the first pitch at the July 4th game?
