Columbia, SC 29901

Dear Honorable Nikki Haley,

Hi my name is Ekezia Johnson. I attend Right Choice School. I came to this school so I can be able to get back in my right grade. In Social Studies class we are learning about the governors, and representatives. I chose to send you a letter because I adore you. I hope you can write me back. Also I hope you are selected to be vice president.

Sincerely,

Ekezia Johnson
