Hi Amy,

Here's a first pass at some bullets (pasted and attached) for the First Gentleman's video message. If you need anything else, just let us know and we'll edit as needed.

Thanks!

Talking Points for First Gentleman's Message
3/28/2013

- ☐ I would like to thank all of you for being a part of this year's First Gentleman's Invitational golf tournament
- ☐ Your participation in this event is a demonstration of your personal and corporate commitment to making South Carolina a great state in which to live, work and play
- ☐ I hope you all enjoyed successful rounds today on the links and know that I'll be with you in spirit as I follow this year's tournament from half a world away
- ☐ My surroundings here in war torn Afghanistan serve as a constant reminder of the many blessings we have back in my home state
- ☐ As I witness the many challenges faced by the families here in Afghanistan, I often find myself thinking about my wife and children, and how fortunate we are to live in a great place like South Carolina
- ☐ From the jobs your companies provide to your contributions as corporate citizens, it is your investment in South Carolina that makes our state such a special place to live

- You should be proud of the contributions that each of you have made to the quality of life for all South Carolinians
- Just as the RBC Heritage has established South Carolina as a premier golf destination, so have the products and services your companies provide helped to establish South Carolina as a world class place to conduct business
- On behalf of the Governor, I want to again thank you for all you have done, are doing and will do for our great state
- I hope you all enjoy your time in beautiful Hilton Head Island during this year's RBC Heritage tournament
- I look forward to joining you in person for next year's event
