**Subject:** Atwater Conversation

---

I had a conversation with Rep. Atwater. He was very encouraging about the veto for S. 293, the Murrell's Inlet-Garden City Fire District bill, also regarding his support for sustaining the pay raise veto.

He is hoping to attend the Q&A tomorrow, but he did have a few questions regarding the First Steps veto and mentioned that he was on the fence for how he would vote. He could be a good person to speak on sustaining the veto if he is given talking points. He said he understands the Governor's position and if it is truly a legislative issue where the bill simply fails to address and cover all of the necessary measures then he would consider voting to sustain.

Thank you,  
Haley
