Subject: May 5th: Why We Give...

Support South Carolina Community Loan Fund on Lowcountry Giving Day

Why we give...

"We donate annually to SCCLF as a way to support a healthy community which can only make our lives better. Whether by providing affordable housing, access to healthy food, or access to community services, a better life means a better chance of success and a better community for all." Tom and Julie Baker, individual donors

On Tuesday, May 5th, join Tom and Julie, and all of our other supporters, by making a donation to [South Carolina Community Loan Fund](#). Your donation, matched dollar for dollar thanks to our friends at [Social Venture Partners Charleston](#), ensures operational support for our ongoing work to provide affordable housing, create access to food and essential services, increase the quality and availability of neighborhood facilities, create employment opportunities, attract additional investment, and strengthen the social and economic fabric of the community.

Just go to www.lowcountrygivingday.org on May 5th and search for South Carolina Community Loan Fund (we're listed under the Community Improvement category).
