SALE OF SURPLUS RIGHT OF WAY PROPERTY - LAND

During the acquisition of right of way for construction of U.S. Route 29, under Project No. FA 2501-A, in Spartanburg County, the Department acquired right of way from H. W. Morrell on October 14, 1938.

At the request of an adjoining owner an investigation was made and it was determined that a portion of this property was no longer needed and could be declared surplus. Therefore, a quitclaim deed conveying approximately 0.73 acre of land to Service Oil Company was executed on April 15, 1988, for consideration of \$22,250.00.

This matter is reported to the Commission in accordance with the requirements of Code Section 57-5-340.

On September 20, 1984, an agreement was entered into between the Department and the Real Property Management Section of General Services, Budget and Control Board, for the Real Property Management Section to offer for sale the parcels acquired for the Gantt Freeway and Downtown Loop projects, which are now abandoned.

The Real Property Management Section was contacted by Borden, Inc. who expressed their desire to purchase Tracts 1133 and 1134 for the appraised value. Therefore, based on a review and recommendation by the Budget and Control Board a quitclaim deed was executed on April 19, 1988, conveying these parcels to Borden, Inc. for consideration of \$16,300.00.

On September 20, 1984, an agreement was entered into between the Department and the Real Property Management Section of General Services, Budget and Control Board, for the Real Property Management Section to offer for sale the parcels acquired for the Gantt Freeway and Downtown Loop projects, which are now abandoned.

In accordance with the agreement the Property Management Section advertised and received bids on May 1, 1986, for Tracts 739 and 740. The appraised value for these parcels was \$42,000.00. No bids were received. In March 1988, the Real Property Management Section was contacted by Charles E. Littleton, who expressed his desire to purchase the parcels for \$42,500.00. SALE OF SURPLUS RIGHT OF WAY PROPERTY - LAND

During the acquisition of right of way for the construction of improvements on Route 11 and Route 14 in Greenville County the Department acquired right of way on Route 11, under File 23.258, from the T. H. Reid Estate on February 10, 1942; and on Route 14, under File 23.548, from G. A. Stewart on December 7, 1967.

At the request of an adjoining owner an investigation was made and it was determined that, if an additional strip of right of way on Route 14 was conveyed to the Department, the 100'x100' triangular area in the southwest quadrant of the intersection of Route 11 and Route 14 could be reduced to 50 feet each side. Therefore, in exchange for a right of way deed for 285 square feet of land and \$300.00 the remaining portion of the 100 foot triangular area was conveyed to David M. Willis by quitclaim deed on April 21, 1988.

This matter is reported to the Commission in accordance with the requirements of Code Section 57-5-340.
