The Senate Transportation Committee passed it a few minutes ago. The key points (the two I am most interested in having the governor respond to are last)

- 10 members, 1 from each council of governments district.
- members limited to 6 years
- commission chooses DOT secretary
- each council of government chooses 3 candidates, vetted by Joint Transportation Review Board. Governor picks from those 3.

I'm just writing something short, but I wanted to give y'all a chance to respond.
