

25 August 2015

Dear Honorable Haley:

After 27 years of building Habitat homes for those in need, our Habitat Affiliate is now constructing the 100<sup>th</sup> Habitat house. This milestone seemed almost unachievable at the inception of our organization. Nothing embodies the Habitat dream more than our Habitat homeowners, and this is particularly true for the prospective homeowner for our 100<sup>th</sup> home. We now have a wonderful approved homeowner who is working on the construction of her house beside many volunteers. Our 100<sup>th</sup> Home Campaign is drawing the Aiken community into partnership with Habitat to support the 100<sup>th</sup> Home under the theme ... **"Let's Build It Together!"**

As requested from your response to our previous letter, we are writing to request your kind support and invite you to be our guest speaker at the Celebration Ceremony. We have prayed for direction on this and believe that your presence would bring an immeasurable and lasting impact on our mission throughout Aiken County. Our invitation is for Sunday, December 13, 2015 at 3:00 p.m. The event would surely conclude by 4:30 p.m. Upon your acceptance we will provide your additional details concerning the venue and program for the Celebration Ceremony of the 100<sup>th</sup> Habitat House.

We are fully aware of the difficulty you face in responding to so many requests for your presence at worthwhile events. We are only one small voice, but our Lord hears us, and we know you will too.

Thank you for your kind consideration,

A handwritten signature in black ink that reads "Richard C. Church". The signature is fluid and cursive.

Richard Church
