Gail-

Attached is the highest resolution photo I have. You can also download the photo from the Governor's website:
<http://governor.sc.gov/News/Pages/OfficialPhotos.aspx>

Please be sure to pass along a copy of the ad before going to print. Our press office will need to take a look at it.

Hello Nicole

Our marketing office was wondering if you have a higher resolution photograph of the Governor for an ad with a deadline of tomorrow.

Thank you,
Gail

give a year. change the world.

City Year is an education-focused nonprofit organization that works to help keep students in school and on track to graduate by uniting teams of diverse, young AmeriCorps members for a year of full-time service in schools. Evidenced-based research has identified the early-warning indicators allowing us to identify the students likely to drop out of school. By focusing on attendance, behavior, and course performance, corps members serve as tutors, mentors and role models who are uniquely able to help students and schools succeed.
