**Subject:** RE: Governor Haley / Call to BorgWarner CEO

---

Hi Richard:

Just wondering if we have a specific time for the call between Governor Haley and James Verrier yet?

**Importance:** High

Dee –

By copy of this email, I am leaning on the SC Commerce team and Katherine (Governor's office) to select the best time within the given window indicated below. They should respond soon with an answer.

**Subject:** RE: Governor Haley / Call to BorgWarner CEO

Hi Richard:

James Verrier will be available between 9:00 am – 10:00 am (EST) on Friday, March 21. We would like to include Stefan Demmerle, President & General Manager TTS in the room along with you and Mr Tony Allen.

We can use the Keowee Conference Room for this call. The phone number to that speaker phone is: 864-985-0568  
Extension: 297

If you can pinpoint a specific time between 9:00 am – 10:00 am, I will include it on Mr Verrier's Itinerary to expect this call.

Regards,

*Dee Klawitter*

Dee –

Any idea yet regarding the possibility of the Governor to have a phone call the morning of or afternoon of Friday, March 21<sup>st</sup> with the CEO?

The scenario that SC Commerce likes is to have a project manager in the room when the Governor calls. In this case, Tony Allen. I would also be in the room. So we would need a room with a conference call enabled phone that the Governor could call at a set time to talk with your CEO.
