Hi Haley -

As much as it pains we to do so, I will have to decline. I have an event in Washington DC that I cannot move. Please extend my sincere appreciation to the Governor for the consideration.

If you are looking to invite someone else from Continental (I think you may have invited George Jurch and he will have the same conflict as me), you can consider Scott Barnette, our Central Controller, he is very much involved in economic development in SC, or Mike Worthington our Treasurer (I think he has been to the event in the past).

Thank you,

Tim
